

Event Report: Industrial Visit to Liebherr Appliances Kluang Sdn Bhd by Mechanical Engineering Students on 27th January 2016

By Lim Hooi Peng

On the 27th January 2016, the department of Mechanical Engineering has organized an industrial visit to Liebherr Appliances Kluang Sdn Bhd for 30 students from Programme Mechanical, Manufacturing, Material and Mechatronics of the sixth semester. This trip was accompanied by four of the faculties, led by Mr. Azman Selamat, Mr. Muhammad Mustapha, Mrs. Maisarawani Spahat and Mrs. Hooi Peng Lim.

The department attempts to make the industrial visit an integral part of the courses and this is achieved through identifying the essential learning outcomes and programmes objectives.

Nevertheless, industrial visit helps students to get insight of the internal working environment and the practical aspects of the factory.

Liebherr Corporate Group was established in 1949 by Hans Liebherr with beginnings in construction equipment. Today, Liebherr has not only excelled as a leading manufacturers of construction machinery but also a well-known recognized supplier of many technically innovative and user-oriented products in premium refrigeration. In Liebherr Appliances Kluang, their main business is to provide widest range of freezers, refrigerators and wine cabinets uses active green components for reliable operation and top energy efficiency.

Students were guided into the premises by the Administrative Officer, Mr Saiful. They were then brought to visit the operational site in the factory after the briefing. At every stage from fabricating the metal body to production of a complete refrigerator, Liebherr Appliance Kluang (LAK) ensures that quality reigns supreme. The company aims to work towards continuous improvement in quality.

The faculties and students took industrial visit with a goal to go beyond academics. This visit has brought to light how an industry complies with the international standards for efficient management and practising safety guidelines in interest of staff welfare.
